## Hello Friend

### 100

I know I'm talking to an imaginary person but i created you. I didnt create this CTF, looks like there giving us the first flag for this challenge so they know that we know the syntax they will be using for all the flags in this CTF. Looks like the syntax for all flags is EVILCORP\_CTF{ }

The flag for this challenge is EVILCORP\_CTF{WELCOME}

Submit

2. As you can see in the picture above the flag is giving for this challenge and it is **EVILCORP\_CTF{WELCOME}** if you inputted this correctly you should be able to move onto the next challenge
