

MR. ROBOT

1. This challenge provides co-ordinates to a certain place so straight away either google these co ordinates or use google maps.

Challenge

1 Solves

×

Co-Ordinates

100

I have to find this place. I have to know where the co-ordinates lead too.

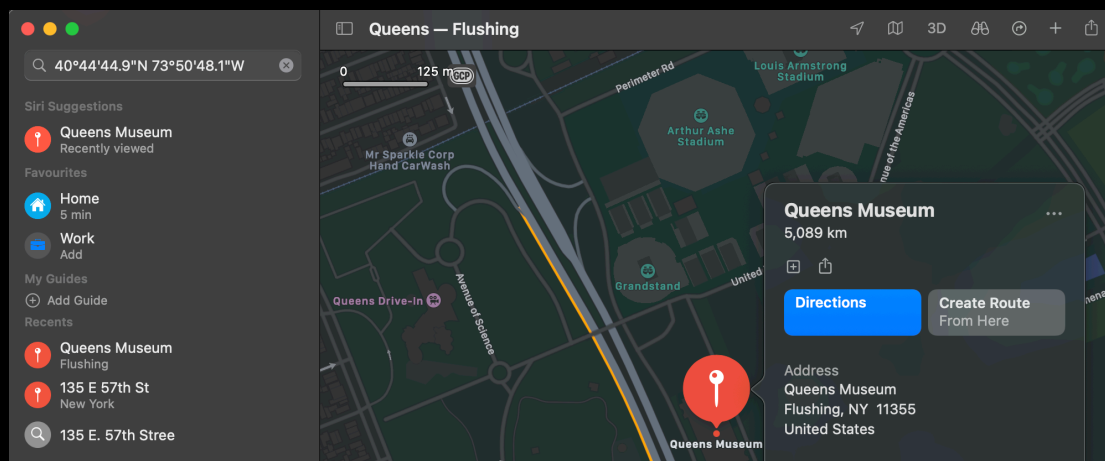

Co-Ordinates - 40°44'44.9"N 73°50'48.1"W

Syntax Evilcorp_CTF{NAMEOFPLACE}

Flag

Submit

2. When inputing the co ordinates Queens Museum pops up so more likely this is the place.

3. So the flag is EVILCORP_CTF{QUEENSMUSEUM},
